SAVITHYA MUTHUNIMA

IT Undergraduate | Computer Science & AI Student | Aspiring Software Developer

Email: Savithyamuthunima9@gmail.com | Phone: 074 225 5014 | Location: Sri Lanka

---

PROFESSIONAL SUMMARY

Motivated IT undergraduate with a strong foundation in software engineering, artificial intelligence, and cybersecurity. Passionate about developing practical digital solutions and exploring emerging technologies.

EDUCATION

BSc (Hons) Computer Science with AI
2026 - Present | Currently Pursuing

Pearson BTEC Computing - Levels 4 & 5
Horizon Campus | Year: 2025

Level 3 Diploma in Information Technology (UK)
ESOFT Metro Campus | Year: 2025 | Completed

Certificate Course in Spoken English
Institute of Technology, University of Moratuwa | Year: 2024 | Completed

MY SKILLS

x95 Programming Languages: JavaScript, PHP, C#, C, Python, TypeScript
x95 Web & Frontend: HTML, Tailwind CSS, JavaScript, CSS, Responsive Web Design
x95 Backend & Runtimes: Node.js, PHP, RESTful APIs
x95 DevOps & Version Control: Git, Docker, GitHub, Visual Studio Code
x95 UI/UX & Graphic Design: Figma, Adobe Photoshop
x95 Databases & Architecture: SQL, MySQL, PL/pgSQL, Data Structures

FEATURED PROJECTS & RESEARCH

Cyber Campus - Cybersecurity Awareness Platform (2026)
Web-based cybersecurity awareness and education platform designed to help users understand common threats and social engineering risks. Built with JavaScript, TypeScript, PL/pgSQL, and CSS.

Academic Research: Impact of Social Engineering Threats on User Privacy (2026)
Investigating social engineering vectors (phishing, pretexting, impersonation, scams) and user privacy among university students in Sri Lanka. Analyzed with Python, Anaconda, and Jupyter Notebook.

CERTIFICATIONS & LANGUAGES

x95 Level 3 Diploma in Information Technology (UK) - ESOFT Metro Campus (2025)
x95 Certificate Course in Spoken English - University of Moratuwa (2024)
x95 Languages: English (Fluent), Sinhala (Native / Fluent)
