SOFT SKILLS

- Teamwork
- Time Management
- Leadership
- Effective Communication
- Critical Thinking

TECH SKILLS

- Python (Expert)
- JavaScript (Expert)
- TypeScript (Expert)
- PL/pgSQL (Expert)
- CSS (Expert)
- C++ (Intermediate)
- Data Structures
- Algorithms
- SQL, MySQL
- Machine Learning
- Data & Research
- Web Development

LANGUAGES

- English (Fluent)
- Sunhala (Fluent)

PROFILE

I am an undergraduate student with a strong interest in technology and continuous learning. I am a responsible and motivated individual who enjoys developing new skills and improving my knowledge in computing and software development. I have both technical knowledge and soft skills such as teamwork, communication, and time management. I am always eager to take on new challenges and grow both personally and professionally.
